

ILT - BIOSECURITY ADVISORY STAND DOWN

Alnwick-Haldimand township, Northumberland County, Ontario

June 1, 2020

On behalf of Ontario's four feather boards, the Feather Board Command Centre is announcing that the **Infectious Laryngotracheitis (ILT) Biosecurity Advisory Area, that was established on April 24, 2020, in central Northumberland County has now been lifted.**

All the birds in the small flock died or were humanely euthanized. Under veterinary direction, the premises has been cleaned and disinfected. New birds are being raised in a separate area.

No other cases in the area were reported.

Basic biosecurity levels in the area can now be restored.

Thank you for your successful efforts to protect the health of your flocks and those of your clients and neighbours during this incident.

If you have any concerns regarding the health status of a flock, contact your veterinarian and Board immediately or call 1-877-SOS-BYRD
